SPECIAL FILMING CONDITIONS
6200 & 6300 BLOCKS OF ORION AVENUE

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

Orion Avenue is an often-filmed block in Van Nuys with quaint cottage style homes. The following Special Filming Conditions have been crafted to provide a balanced use of the community for location filming.

- **Frequency of filming shall be limited to 14 days per calendar year at any one residence.**
- **Affected residents must be notified at least two (2) days In advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **Companies may request posting on one side of Orion Avenue only for a total of 400'. Posting on Erwin Street will be limited to the south side of the street starting 200' east of Orion Avenue.**
- **No weekend or holiday filming unless approved by FilmL.A.**
- **Filming will be limited to only one production company per day on Orion Avenue.**
- **Trash and refuse must be removed from the area immediately after filming activities are completed.**
- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.,** unless approval is obtained from FilmL.A. and the approved times are indicated on the permit.
- **Cast and crew may not park on area streets.** Off-street parking must be provided.
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.

Note: Any variance from the above conditions requires signature approval from a majority of residents on the 6200 & 6300 blocks. Signatures must be obtained in accordance with the approved FilmL.A. Filming Survey process.
